VOLUME 25/NO 3.

To empower children and families to experience  
God's love as revealed in the ministry of Jesus Christ.

## A *word* FROM OUR PRESIDENT

**Becky Dotson**  
President & CEO  
Florida United Methodist Children's Home

### WE DEPEND ON YOU

*"Don't worry about anything, but in all your prayers ask God for what you need, always asking him with a thankful heart." Philippians 4:6*

As we move into the final three months of 2015, I am so deeply grateful for all the churches, individuals, groups, and businesses that support the ministry of the Florida United Methodist Children's Home. Being in ministry for at-risk children and youth who come into our care can be difficult, challenging, and expensive. Yet you always respond to the needs placed before you knowing that when we work together in the name and spirit of Jesus Christ, amazing things can be accomplished.

Please pause to read about all the wonderful things that are happening at your Children's Home. I am especially excited about our Legacy Scholars Academy that began in August. Please read about this crucial expansion of our education program on the facing page. Providing a meaningful Christmas for all our residents and foster families is a daunting undertaking and requires months of planning. See how you can help on page 6. September 23, marks the one year anniversary of the dedication of the Madison Youth Ranch. Highlights of the first year can be found on page 4.

In spite of all the difficulty and hard work, it is worth it. Every day we see those small steps taken and little decisions made that begin to add up to a changed life. As long as children and families have special needs that the Children's Home can reach through its unique ministry, we will be on duty 24 hours a day. Thanks for giving, loving, working, and praying for the Florida United Methodist Children's Home.

# Announcing LEGACY SCHOLARS ACADEMY

Our on-campus school, Aldersgate Academy which operated last year as a private school, has officially partnered with the Volusia County School district and is now called Legacy Scholars Academy (LSA). The school district assigned Stephanie Workman as the school administrator and she oversees the Volusia County School criteria, scheduling, transcripts, credits, graduation requirements and teacher evaluations. Ms. Workman commented, "Volusia County Schools is very excited about our partnership with FUMCH. The students at FUMCH are all our children and we have a responsibility to provide them with an all encompassing support system that will ultimately foster both emotional and academic success."

LSA provides on-campus schooling for our residents, grades K-12th. The classroom ratio remains the same as last year, 8 students to one teacher along with one teacher assistant. We started the school year with four classrooms with a maximum of 8 students to a classroom for a total of 32 students. LSA remains voluntary for our middle and high school students who wanted to attend a smaller school. One elementary classroom was added this year and enrollment is based on need and prior school disciplinary reports. The majority of our residents will continue to go off campus to attend local public schools. By partnering with Volusia County Schools, the Children's Home has access to a broad range of resources including academic specialists, Volusia Virtual School, dual enrollment and the ability to obtain a high school diploma equal to that of their peers in public school.

## YOU CAN MAKE A DIFFERENCE

We would love for you to prayerfully consider partnering with our Open Hearts Family Services to become licensed as foster parents providing a Godly home for children in need. For more information contact LaShawnda Ränge at 386-668-4774 or [lashawnda.rainge@fumch.org](mailto:lashawnda.rainge@fumch.org). We are currently licensed in Volusia, Flagler, Seminole, Orange, Osceola and Hillsborough Counties.

## **STICKNEY STABLE DEDICATION** JULY 10, 2015

The Stickney Stable for Equine Therapy was officially dedicated on July 10, 2015. We are so thankful for all the donors who made this fantastic addition at our Madison Youth Ranch possible. We are currently researching Equine Therapy programs and hope to have the program in place in the next couple of months. Equine therapy has shown remarkable results to help our residents on the Enterprise campus find a sense of healing and wholeness. We look forward to having the program at the Madison Youth Ranch. Pictured are Clyde and Kathy Stickney addressing the dedication.

# Christmas Begins Early at the Children's Home!

## WE NEED YOUR HELP

For the past two years, we have changed how we give Christmas gifts. It has proven to be very popular with our residents and much more convenient for churches and groups that support our Christmas effort. Instead of buying actual gifts, we ask that you purchase gift cards. Our children love being able to go to a store and buy exactly what they want instead of filling out a wish list a few months before Christmas.

We request that you please purchase gift cards in any increments of \$10, \$20 or \$25. Especially useful and flexible for our children are VISA, Master Card or American Express gift cards. Other ideas are Target, Walmart and Best Buy (or any other major chain store). Our goal is to be able to give every child in our care \$150.00 in gift cards. We also strive to make Christmas morning special. Each child receives a stocking with small gifts to open on Christmas morning.

In order to prepare our campus for Christmas, we ask that your gift cards arrive before December 7, 2015, if possible. Of course, we are happy to receive donations after that date.

*If you have any questions or would like more information, please contact our development office at (386) 668-5088. Again, we thank you for your love and prayers for our children and this wonderful ministry.*

## SUMMER CAMP FUN

This summer, 33 of our residents were able to enjoy a week of summer camp at our Warren W. Willis United Methodist Youth Camp in Leesburg, Florida. This is always a fun and meaningful week for our kids.

Next summer in 2016, we will be looking for individuals, families and church groups who would be willing to underwrite a week of camp for one or more of our residents. For more information please contact our Development Office at (386) 668-5088.

*"Thank you for getting me to camp. I feel like I got closer to God and closer to who I really am."*

### ! IMPORTANT NOTICE

Consider the Florida United Methodist Children's Home as you review your end of the year **Required Minimum Distribution** plans. With a traditional IRA, the account holder must begin taking required minimum distributions (RMDs) by April 1 of the year after he or she turns 70½. These payments are based on the IRS' tables for life expectancy. If Congress again passes the IRA charitable rollover, you can transfer up to \$100,000 directly from your IRA to a qualified nonprofit without paying federal income tax.
