Friends

Friends are there through thick and thin.

They are still there when you think that everything is coming to an end.

Friends are there for you

when everything is going wrong.

They are there to tell you to hold your head up high and to be strong.

Friends are there if you win or lose.

When you are with your true friends you can be just you and only you.

Plans are underway to prepare for our Day On Campus celebration on **April 9, 2016**.
