CHILDREN'S HOME

THE HERALD

JUNE 2015

VOLUME 25 / NO. 2

To empower children and families to experience God's love
as revealed in the ministry of Jesus Christ.

A WORD FROM OUR PRESIDENT

Becky Dotson

President & CEO

Hearts Full of Joy!

"Every time I think of you, I give thanks to my God. I always pray for you, and I make my requests with a heart full of joy because you have been my partners in spreading the Good News about Christ from the time you first heard it until now."

Philippians 1:3-5

Our hearts are full of joy when we think about all the churches, families, individuals and friends of the Florida United Methodist Children's Home who have come along side of us and partnered with us to bring healing, hope and light to the young people in our care. Since our founding in 1908, the Florida United Methodist Children's Home has been a refuge of peace and a haven of blessing for children and families facing many difficult and challenging circumstances.

In this issue of The Herald, we are including the names of those who have given a gift in memory or honor of loved ones during 2014. We are deeply grateful for all these special people that took the time to make a visible expression of their love for the Children's Home while remembering someone dear to them.

The foundation of all we do is the love of Jesus Christ made real through His Church. Thank you for making a genuine and lasting impact in the lives of the children, youth and families that turn to us for help in time of need. We can rejoice with St. Paul when he writes to the Philippians, "I can do all things through Christ who strengthens me." Together we can accomplish great things for all God's Children.

Meet Our New Vice President of Development

ELISABETH GADD

After spending the first part of her career as a paralegal, she became active in political fundraising. She then had the opportunity to pursue a career in nonprofit development. Elisabeth has a heart for children and the disadvantaged. Her first development position was at Collins Home & Family Ministries, an organization similar to FUMCH, where she spent over five years. She was the Executive Director of an education foundation and then was recruited to be the Director of Development at a community college in South Carolina. Most recently, she served in the College of Health and Public Affairs at the University of Central Florida, where she had also earned her Master of Nonprofit Management degree. Elisabeth has also served on community nonprofit boards over the years.

Elisabeth believes that she is at FUMCH after sensing a calling back to a children's home ministry and trusting in God's leading. "The children are in our care due to no fault of their own. They are innocent victims of their circumstances. We are fortunate to have caring friends throughout the state who want to help these children grow, thrive and prosper, just like their peers. It is an honor to serve here at FUMCH and work with such caring individuals." Elisabeth looks forward to meeting all those who support this wonderful organization as well as those who would like to learn more about it.

Over 1,100 Enjoy Day On Campus

On March 21, 2015, over 1,100 United Methodists and friends of the Children's Home enjoyed a fun and festive day. Our annual Day On Campus is our way of saying thank you to the local United Methodist Churches and the many friends of the Children's Home who support us with such generosity. If you have never attended a Day On Campus, please make plans to bring a group from your church. It is a great way to introduce people to the Children's Home. The following is the date and the invited districts for next year.

2016 Day On Campus ~ April 9, 2016
Specially Invited Districts: East Central - South West

Meet Our New Chief Operations Officer

Mr. Kitwana McTyler is the newly hired Chief Operating Officer at Florida United Methodist Children's Home. Prior to coming to FUMCH, Kitwana was the Corporate Director of Human Resources at Louisiana United Methodist Children and Family Services (LUMCFS).

During his eighteen years of service at LUMCFS, Mr. McTyler served in varied capacities within the organization. He has served as a Child Care Worker, Changing Aggressive Behavior (CAB) Program Supervisor, Performance Improvement Coordinator, Director of Performance Improvement/Safety and Training, Director of Quality Assurance/ Compliance Officer and the Director of Human Resources for more than 550 active employees.

Kitwana McTyler is a native of Los Angeles, California but spent twenty years in Ruston, Louisiana. He received his post-secondary education from Grambling State University and Louisiana Tech University.

Mr. McTyler is married to Andrea Marie McTyler. Mrs. McTyler is currently a mathematics teacher in Orange County and has been employed as a teacher for thirteen years. They are the proud parents of Marcie McTyler, Jasmine McTyler, and Kitwana "KJ" McTyler.

A Year of Success ALDERSGATE ACADEMY

Aldersgate Academy, our on-campus school, is coming to the end of a very successful first year. Our new school has allowed residents who had been experiencing difficulty in school to encounter academic success and make positive strides in their emotional and social development. Aldersgate Academy has served 29 students since August. 86% of the students have seen an increase in their GPA's compared to last year. Remarkably, the school has not had a single out-of-school suspension this year. For example:

- ✧ RJ had 19 discipline reports last school year. He has not had any discipline reports since coming to Aldersgate Academy in January.
- ✧ RM had 8 discipline reports in public school and since January, he has not had any at Aldersgate Academy. He has also taken a leadership role in the school by hosting a talent show, writing our school charter song and working on a science project after school with his teacher.
- ✧ SP had 34 discipline reports at a local middle school. Since August, he has served two in-school suspensions and five after-school detentions at Aldersgate Academy. Overall, we have seen a substantial decrease in unwanted behaviors.
- ✧ JD had 22 discipline reports at the local high school. He has not had any discipline reports since starting at Aldersgate Academy in January.

One eighth grade student wrote:

"When I walk through the doors and see everyone in the gym in the morning, I feel and say to myself that 'I don't have friends here... I have family.' We are a team, a family-and family and teams stick together!! Also it's hard for me to see myself not in this school because it's a part of me, I've never in my whole life been doing good in school, but here I feel good about myself, staying out of trouble and I'm doing so well in school."

Education Needs and Requests 2015-2016 School Year:

OPPORTUNITIES

Leave a Lasting Legacy

There are many reasons why you might consider making a charitable bequest. A bequest is one of the easiest gifts you can make to significantly impact our work. Your estate planning attorney can include a provision in your will that leaves a lasting gift to our organization. Your bequest could be a gift of specific assets, a dollar amount, or a percentage of your estate. A bequest could also be made from the residue of your estate or what is left after all gifts have been made to your heirs.

The Ministry continues to serve children and families because of the generosity of individuals and churches, through one-time, reoccurring and legacy gifts. For more information visit www.fumchlegacy.org or email plannedgiving@FUMCH.org or contact Jeanne Griffith, Director Strategic Partnerships at 386-668-4774 ext. 2234.

Volunteer Opportunity!

Volunteers are always needed at our Heart & Home Resale Shop. If you would like to send a group of volunteers to help with various tasks, or would like more information about volunteering, please contact Lynn Bellomy, Volunteer Relations Supervisor, at (386) 668-5088 or lynn.bellomy@fumch.org.

Summer Camp Fun

One resident said last summer, "Everywhere you look you see people that love God and I can see God through those people. I love camp because I can tell God's presence is everywhere. I can tell God's there 100%."

It is our hope each summer to allow as many residents as possible to attend a week of summer camp at the Warren W. Willis United Methodist Youth Camp in Fruitland Park, Florida. This can be a life changing experience for our residents. If you, your church, Sunday School class or any group in your church would like to underwrite one of our residents to attend summer camp, the cost this year is \$500 per child. For more information, please contact our Development Office at 386-668-5088.

It is time for SUMMER FUN

SUMMER FUN is a program that runs every week of the summer for our kids to have fun, stay active and continue to learn. Our residents can't wait for SUMMER FUN to begin! They have an opportunity to learn how to be creative with arts, crafts, pottery, and wood working. Therapeutically, our residents begin to learn to trust others as they master the ropes course and discover how to work together in team sports.

Our kids are blessed, through the generosity of wonderful friends who help us to provide great summer fun. Please consider supporting SUMMER FUN to be a part of making this the best summer ever for our children! Contact our Development Office at (386) 668-5088 for more information.
