### **Children's Home Receives \$5,000 Grant from Publix Charities**

**Enterprise, FL** – Publix Charities has awarded a \$5,000 grant to the Florida United Methodist Children's Home for education program support. The funds will be used to support Digital Arts Program at Legacy Scholars Academy, the on-campus school for the children. Funds will be used to purchase computer and printing equipment, as well as software to support the Digital Arts curriculum. The program will enable our middle and high school youth to expand their artistic talents, enhance technology skills, and offer them a vocational skill that will promote increased educational opportunities.

In 1966 Publix Super Markets founder George W. Jenkins, affectionately known as Mr. George, established a charitable foundation with the intention of caring for his community—and with a vision that the giving would continue long after he was gone. Today, under the leadership of Mr. George's daughter, Carol Jenkins Barnett, Publix Super Markets Charities remains committed to serving the communities in which Publix operates. And the legacy of giving continues.

By supporting a variety of nonprofit organizations engaged in life-changing work, Publix Charities makes a far-reaching impact throughout the Southeast. The result is stronger communities infused with hope and prepared for a brighter future.
