Cabot Provides Cheese For Christmas Event At Children's Home

Enterprise, FL – Cabot Creamery Co-operative has agreed to provide the Florida United Methodist Children's Home with cheese for the annual Santa's Workshop event in December. Cabot, a dairy cooperative located in Vermont, is owned by farmers throughout New England and New York. The farm families of Cabot Creamery proudly support the work of organizations like the Children's Home who are making a positive impact in their communities. Cabot has created the Department of Gratitude specifically to honor, amplify, and reward those who give time to do good. The Florida United Methodist Children's Home was established in 1908 in Enterprise, Florida on the banks of Lake Monroe. The Madison Youth Ranch, a second residential location, was added in 2014 in North Florida. The Children's Home provides services to families and children from childhood to adulthood, and is accredited by COA (Council on Accreditation), EAGLE (a program of the United Methodist Association of Health and Welfare Ministries), and is a member of the Alliance for Children and Families. Our Residential Care Program provides care and a family style home for school-aged children who have been victimized by abuse, neglect or family trauma, and provides education, counseling, as well as recreation and ministry opportunities. The Children's Home also provides Foster Care, an Emergency Shelter, an Independent Living Program as well as a Montessori-based early childhood program to the public through In As Much. The Children's Home is supported through the generosity of churches with the United Methodist Florida Conference, individuals and legacy gifts. For more information, visit www.fumch.org.
