### **Good Sports, Inc. Provides Grant For Athletic Equipment**

**Enterprise, FL** – [Good Sports, Inc.](#) has provided a grant to the Florida United Methodist Children's Home that allows them to use up to six (6) equipment requests over a two-year period. Good Sports works directly with the sporting goods industry to obtain a variety of athletic gear, apparel, and footwear. They store and distribute the brand-new equipment from their 37,000 square foot warehouse in Braintree, MA, to organizations all over the country, like the Children's Home as well as Parks & Recreation programs, schools, and Boys & Girls Clubs.

Good Sports drives equitable access in youth sports and physical activity, by supporting children in high-need communities to achieve their greatest potential, on the field and in life. Through donations of brand new sports equipment, apparel and footwear, their goal is to help youth-serving programs:

- Increase the total amount of youth participants
- Enhance the experience for all young people involved
- Create new opportunities in physical activity for the kids they serve

According to Marie Mazzula, Campus Life Administrator at the Children's Home, "A grant like this will have a considerable impact on our Recreation program, allowing more youth to participate in more activities than before. Our youth come from abusive and neglectful home environments, and the organized play and recreation supported by Good Sports is an important part of their recovery and growth."
