

# FIFTH SUNDAY OFFERING

*“...being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.” (Philippians 1:6)*

Lily came to the Children’s Home about a year ago after being removed from her home because of domestic violence. When she first arrived, she was obstinate and did not appreciate or abide by the boundaries set for her.

Part of the problem was that the home she came from was so dysfunctional, she was never taught important communication skills such as accepting feedback and respectfully addressing others. The Teaching Family Model that is used at the Children’s Home helped her correct these deficiencies and begin to flourish.

Her grades have greatly improved, and she now wants to go to college. Her chosen profession – psychiatry, partly because of the help she has received at the Children’s Home. She wants to help others in a similar way. That’s the kind of impact our donors are having on young lives. Thank you!
