

FIFTH SUNDAY OFFERING

“The true light that gives light to everyone was coming into the world. He was in the world, and though the world was made through him, the world did not recognize him. He came to that which was his own, but his own did not receive him. Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God.” (John 1:9–12)

- *Robert came to us with a trauma history that meant bedtime was a really difficult time for him. He never slept in his bed, preferring to sleep in his closet or on the ground. Staff and therapists worked hard with him to help him feel safe so he would start sleeping in his bed.*
- *This summer he went to Warren Willis Camp for a week of overnight camp. We were a little nervous about how he would do with the bunkbeds and sharing a room with others, but he had a great week at camp and we got a positive report from his counselors about him not having trouble with bedtime.*
- *Robert really struggled with focus and staying on task. After a year with us working with his therapist, the psychiatrist, and the behavior analyst, he performed in the Day on Campus production of the Wizard of Oz.*
- *This was a big deal for Robert because it meant sitting through long rehearsals and staying on task and knowing his cues throughout the show. We are so proud of Robert and his progress!*
- *Mere mortal words could never adequately express our love and gratitude for your continuing partnership with us which enables such transformation to occur. Thank you!*
- *You can text “SPARK” to 50155 for quick and easy giving, visit our website, www.fumch.org, and click the “DONATE” button or use the camera on your phone to scan this QR code. Again, THANK YOU!*
